BLUESCAPE

Manage Projects More Efficiently With Bluescape

BENEFITS OF BLUESCAPE

Bluescape is a high-performance collaboration tool that helps project management flow more efficiently and cost-effectively.

- Meet as a team in virtual workspaces to reduce costly travel expenses and unnecessary delays.

- Increase the flow of information across collaborators to accelerate knowledge sharing.

- Unify distributed teams with engaging, meaningful collaboration tools that go beyond ordinary video conferencing and messaging.

- Capture all your materials and processes in one place and reduce waste, information loss, and context switching.

- Centralize feedback, actions, and updates, eliminating the hassles of wrangling multiple tools and resulting in fewer, better meetings.

- Create a common operating picture to facilitate team discussions and gain alignment, so you can make better decisions, faster.

WHAT IS BLUESCAPE?

Bluescape is a visual collaboration solution that provides an easy way to share content and knowledge between people, even when they're physically apart. Bluescape centralizes your communications and work, providing a virtual meeting place and workspace where teams can tackle projects more efficiently and effectively.

WHY CHOOSE BLUESCAPE FOR PROJECT MANAGEMENT?

Bluescape brings all of your project management tools, resources, and communications into one shared workspace. This single source of truth fosters team alignment, informs decisions, and provides greater visibility to stakeholders. With Bluescape, you can organize and visualize the "iron triangle" of scope, cost, and timelines in tandem with your work and tools—so teams stay productive and projects run smoothly.

- **Organize and visualize** all of your project-related content and work using canvases and templates to increase efficiency and reduce information loss.
- **Gather your team** and collaborate face-to-face in the workspace with native video calling and Cisco Webex and Zoom integrations.
- **Brainstorm and whiteboard new ideas and plans** with drawing tools and notecards.
- **Share a wide variety of content** by uploading graphics, photos, and videos or sharing files from Google Drive, Microsoft One Drive, Dropbox, and Box.
- **Streamline workflows** with templates to support Agile and Scrum practices.
- **Access work from anywhere, at any time, from any device** with secure virtual workspaces.

BLUESCAPE®

BLUESCAPE FEATURES

Bluescape provides a more efficient and productive way to work, while relieving the frustrations of remote collaboration. By tapping into all the features Bluescape has to offer, you'll save time and effort, and increase team engagement, alignment, and trust.

WORKSPACES

Your workspace is a central meeting place, where you can store, organize, create, and share a near-infinite amount of content. Since workspaces are virtual and always on, your team can collaborate anytime, from anywhere, on any device.

WHITEBOARDING

Capture ideas, visualize concepts, and focus attention with drawing and diagramming tools. Use notecards to create virtual sticky notes in the workspace.

CONTENT SHARING

Upload content or add links from cloud file-sharing services. Share presentations, documents, graphics, photos, and videos and make them accessible to your whole team.

VISUAL ORGANIZATION

Group content in containers to structure your workspace and simplify presenting, browsing, and navigating your work.

ANNOTATION

Capture thoughts and feedback by drawing on the workspace or directly on the content. Comment and @mention colleagues to alert them of tasks or new information.

COMMUNICATIONS

Make communicating easy by scheduling or starting video meetings right in Bluescape using built-in video calls or integrations with Cisco Webex and Zoom.

DEPLOYMENT OPTIONS

Whether you're looking to deploy via the cloud or on-premises, we offer multiple deployment options to give you the flexibility and security you need.

API

The Bluescape API enables integrations with third-party software to streamline workflows.
